THE WAY TO CURE INTEMPERANCE:

Br. Urbin's Anti-Bacchanalian Elixir!

This stedicina is a safe and sure cure for Intemperative Lance, not in the least injurious to the system, and is pleasant to the tasta. It is a purely Vegetable compound, ant will care the most hardened cases—restoring the ludividual to the same state of sobiety and useful reast hat no was before he ever made use of intoxicating liquors, and cleansing and puritying the special of the unustacial desire for ardent spirits. It has never failed to cure a single case, when the directions have been stickly fullowed. Br. Urban contends that intemperance is a disease, and treats it accordingly.

Br. Urban—Dear Sir: As I deem it proper that every thing having a tendency to smeliorate the condition of unfortunate markind should be prominently placed before the public. In order that those who so desire may avail the susception of country with some of my influence divided, write you for Anti-Bacchenalan Elixir task and in this section of country with some of my influence acquaintances. I have known It use I ha great number of the most burdened cases, where, indeed, the Irients had given up in the City of New York, from the very 1836 to 1855.

And I could not tell why the laughing belle
Had refused to become my bride.
But a single glance at my tival's cost
This me there have the strength of the game;

But a single plance at any rival's cost

Told me there lay the strength of the game;
And I said, if the tailor's in town who can do it,
I'll have one exactly the same.

Then I dreamed that I searched the town all o'er
For the gem that would win her hear).

Till I found mysell standing in Iront of the store
Where clothing is fashioned by art.
And then I remembered that bis was the place
Where the coat of my rival was made,
And, entering in, right before my face
Lay a broad cloth exactly the shade.
The coat was sent beine, and like Cæsar I sped—
I came, and I saw, and I won;
For she smillingly said, when I asked her to wed,
"What an elegant coat you have out."
Three days from that time—perhaps it was more—
I induced her to alter her name:
And I still huy my coats at the very same store,
And site loves me as ever the same,

HOLLOWAY'S PILLS. NEW DRY GDOOM ENTABLISHMENT CURE OF A DISDRIBERED LIVER AND BAD DIGENTION.—Copy of a letter from Mr. R. W. Riskos, chemist, T Prosoct street, Liverpoot, dated of June, 1851:

To Projector Holloway—Sin: Your PHs and Ointment

To Professor Holloway—Sin: Your PMs and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any inquiries, desires me to let you know the particulars of ner care. She had been troubled for years with a disordered liver and but digestion. On the last occusion, however, the viculence of the attack was so almoring, and the inflammation set in so severely, that doubts were entertained of her not being to bear up under it; fortunately she was induced to try your Pids. and she informs not that after the first and each succeeding dises she had great relief. She continued to take item, and although she used only three boxes, she is low in the entryment of perfect health. I could have entry ou many more cases, but the above, from the westity of the clack, and the specky cure, I think, neaks much in favor of your astonishing Pills.
